

Introducing the new team

With the expansion of South Eastern Cleaning Services, the company has never lost sight of the most important thing... family

South Eastern Cleaning Services has always been a family owned and run business and now we would like to formally introduce to you the son and daughter team Kiri and Yiota. Some of you would have already met the duo but for those of you who have not, be assured a meet and greet will be coming your way very shortly.

South Eastern Cleaning Services has worked with a diverse customer base and provides a range of services

Our Services

South Eastern Cleaning Services provides more than just the day to day cleaning of your premises. We can also assist in areas such as:

- ✓ Specialised carpet steam cleaning
- ✓ Environmental recycling and waste removal
- ✓ Interior and exterior window cleaning
- ✓ Stripping and re – sealing of floors
- ✓ Washroom supplies and sanitary services
- ✓ Car park maintenance
- ✓ On call service

C.R.P - Client Referral Program

South Eastern Cleaning Service has now introduced its very first Client Referral Program to the business.

Now everyone has a chance to be recognised for the support they have shown our company. South Eastern Cleaning Service has now introduced the Client Referral Program which rewards you for referring our services to another business. South Eastern Cleaning Services will award its Referrers a commission if they successfully refer a client to the company and that client subsequently obtains our services. For further information about our referral program please do not hesitate to contact us directly.

Who are our clients ?

South Eastern Cleaning Services has come a long way since its inception in the early 80's. Today, the company services a variety of clients including **Schools, Social Clubs, Offices, Warehouses** and other **Commercial Buildings**.

A clean workplace is important not only to your staff but also potential clients who visit. First impressions last so keeping a clean and tidy workplace will surely help in winning over those new clients.
